EXPLANATIONS

Hot Filling Conditions

The selected product has high temperature resistance and is suitable for hot filling.

However, before purchasing the products, process trials should be carried out on the sample product.

Low Temperature Use

The production of products resistant to low temperatures requires special application.

Products to be used at low temperatures should first be tested with samples.

Storage Conditions

Packaging should be stored in moisture-free, dry and closed environments away from direct sunlight.

Shelf life

It must be consumed within 2 years from the date of production.

Quality Information

Products are manufactured according to GFSI approved BRC, ISO 9001:2015 and ISO 22000 standards.

Packaging Change

Varies depending on desired quantities and pallet height. Noa Trade LTD. ŞTİ reserves the right to make changes.
